

ACAE 2019

AUTOMATION ENGINEERING

Kuala Lumpur, Malaysia
November 22-24, 2019

2019 Asia Conference on Automation Engineering (ACAE 2019) will be held in Kuala Lumpur, Malaysia during November 22-24, 2019.

The automation industry is one of the current fastest growing areas of international high-technology economy.

CONFERENCE PROCEEDINGS

All submissions will be peer reviewed 2-3 reviewers, and the accepted papers after registration will be published into **IOP Conference Series: Materials Science and Engineering**, (Online ISSN: 1757-899X; Print ISSN: 1757-8981), which is indexed by Ei Compendex, Scopus, Thomson Reuters (WoS), Inspec, et al.

IMPORTANT DATES

SUBMISSION DEADLINE (FULL PAPER)
July 05th, 2019
NOTIFICATION DATE
July 25th, 2019
REGISTRATION DUE
August 15th, 2019

KEYNOTE SPEAKERS

Prof. Jia-Yush Yen, NATIONAL TAIWAN UNIVERSITY, TAIWAN

Prof. MOHD NASIR TAMIN, UNIVERSITI TEKNOLOGI MALAYSIA, MALAYSIA

Prof. Sim Kok Swee, MULTIMEDIA UNIVERSITY, MALAYSIA

CALL FOR PAPERS

- Adaptive automation systems
- Automated fault detection, diagnostics, and prognostics
- Autonomous systems
- Human-in-the-loop, human-machine interactions, human-robot / robot-robot collaboration
- Modeling, simulation, and optimization of automation systems
- Big data, data mining, and machine learning
- Power and energy system automation
- Smart automation in construction and manufacturing
